

Checklist & Guidelines

DID YOU....

Review **Optimum Ship Weeks** for best dates to receive product. (page 7)

Reference Calendar – did you choose the right week(s)? (page 8)

Shipping Schedule – If with WCF, Do you have the correct week selected for your area? (page 9)

Order Form:

a) Did you complete all required information and check off the correct boxes? (page 11)

b) When ordering please indicate “1 or 2 trays, etc.” not plant count. (page 12-24)

c) Please add the ship week in the corresponding column on the Order Form.
Refer to the calendar (page 11)

Volume discounts (page 26) – remember to check how close you are to reaching a discount level and remember to order a few more trays to reach that level. Discounts apply only to invoiced amounts of plants not ordered amounts. Exclusions are tags, hardgoods, soil and Natures Source.

Natures’s Source – Did you remember your fertilizer for the year? (Both your own and Retail?)
(Page 18)

A few additional pointers:

- ◆ ORDER early! Seeded items are grown to cover order fulfillment.
- ◆ Your Confirmation will be sent usually a few weeks after the order is received, (depending upon the volume of orders received). **PLEASE, PLEASE** review as soon as possible for accuracy.
